Access Areas for Dogs - Off-Leash Exercise Areas

Shoalhaven City Council understands that it's necessary for our community's dog owners to have access to suitable exercise and play facilities.

Our 22 Off-Leash Areas (OLAs) on Council managed land provide dog owners the opportunity to enjoy their pet's company for recreation and training without the restraint of a lead.

Please make use of these facilities – throw a frisbee, toss a ball – and get more out of your pet!

If your dog is in any public place other than an approved off-leash area s/he must be under the effective control of a competent person by means of a chain, cord or leash.

To view maps of access areas go to - <http://shoalhaven.nsw.gov.au/council/sections/animals> or contact Council on 4429 3433 and we will mail a brochure to you.
